Sirs

I'll need a blurb from one of you regarding a Commander's Intent the Weekly Ops Plan I'm preparing. It doesn't have to be long, but a general statement about what the Commander intends for operations and deployment for the week. I can add the following if you wish, or you can craft your own...

Ottawa Police Service respects the rights of individuals engaged in the peaceful expression of opinion as protected under the Charter of Rights and Freedoms. Activities and behaviours of participants involved with the Freedom Convoy 2022 have transition from a peaceful protest to an occupation of the city. The behaviours presented by many of the participants have resulted in multiple criminal investigations and most recently a Court Injunction.

The Ottawa Police will continue to work towards ending the occupation as peacefully as possible through communication with the organizers and participants. Ottawa Police also recognize that some participants are intent on continued illegal actions. Ottawa Police will be taking deliberate planned actions to end the occupations at a time, pace and manner that maximizes the safety for all involved.

Let me know what you would like....
